RENDER CHALLENGE 2023

JAN - DEC
2023

“Have no fear of perfection—you’ll never reach it.”

- Salvador Dali

Introduction

Archiol has organized this second edition of the **ONE ARCHITECTURAL IMAGE – RENDERING CHALLENGE** to understand the various possibilities of presentation techniques in architectural design.

“Creativity is nothing but a mind set free.”

– **Torrie T. Asai**

Presentation skills are an asset for any designer. One of the best mediums to showcase your architectural designs is through rendering. Rendering techniques support the creation of realistic visuals of the architectural design before the actual construction.

This rendering competition challenges you to create one architectural rendered image that depicts all your design ideas. Explore different rendering styles and techniques to create one image that says it all.

The image can either be digital or hand drawn.

“Art is anything you can get away with.”

- **Marshal McLuhan**

Purpose:

This competition aims to understand the possibilities of rendering techniques in architectural design.

To do:

One architectural rendered image that depicts all your design ideas and showcases your designing talent at its best.

“Design can be art. Design can be simple. That’s why it’s so complicated.”

- **Paul Rand**

Participation:

- This competition is open to all.
- You can participate individually or as a team (Maximum 3 members in a team)

Submission Requirements:

- One image (view / perspective of your design project) jpeg. / jpg. Format. (dimension: 30cm x 30cm, file size: 25mb)
- A summary explaining the rendering technique with a design title (Min. 300 words) – docx. / docs. Format
