ART & ARCHITECTURE

Introduction:

Architecture Writing Competition 2021, organized by ARCHIOL that explores the philosophy of Art and Architecture.

There is a deep connection between Art and Architecture. The creation of both requires a deep understanding and a sense of expression. Both Art and Architecture are designed by using the same principles; both require sensory engagement to realize the underlying meaning. The competition, 'Art and Architecture' is looking for essay submissions on the connection between Art and Architecture.

- Develop an abstract design (2D or 3D/free to choose your medium) that explains this connection between Art and Architecture.

- Write an Essay that explains your abstract design and answers the following question: What is your understanding of this connection between Art and Architecture?

What can be submitted?
