GOTHIC

Introduction:

The Gothic design style is a 2021 design and writing competition organized by artuminate. Based on the 19th century interpretation of medieval architecture, Gothic design style depicts the celebration of light and divine grandeur of gothic churches. Stained glass windows, pointed arches, and ornate decorations on every surface, are the primal features composing this design style. Artuminate is looking for a conceptual design and write-up submission on the gothic design style.

•   Create a Mood Board that explains your take on the gothic design style.
•   A write-up / basic understanding of the gothic design style with an interesting title.
•   A conceptual design development based on the write-up and the mood board.
